

C O P Y

24 MAR 1960

MEMORANDUM FOR: Comptroller, CIA

SUBJECT: Project JMARC

1. This is to advise that I have approved subject project in the initial total amount of [REDACTED] Due to considerations of extreme sensitivity, knowledge of this activity is to be limited to an absolute minimum.

25X1A1a

2. Support is to be provided as follows:

a. Funds:

The total amount of [REDACTED] is to be provided from the Agency Reserve for Contingencies as an unprogrammed requirement for which other funds are not available. Any requirement for additional funds beyond the initial [REDACTED] for this activity, either during FY 1960 or FY 1961, is to be the subject of specific subsequent action, as appropriate.

25X1A1a

25X1A1a

b. Accountability:

Final sterile accountings of these funds shall consist of the following:

(1) Certification by the Chief, WH Division, that funds have been expended for the purpose of the project.

(2) Each certification to be approved by the Deputy Director (Plans) or his specific designee.

c. Knowledgeability (Support):

(1) A single headquarters file shall be maintained by the WH Division, to include accurate information as to expenditures, such as the date, purpose, method of transmittal, the identities of ultimate payees (by pseudonym) or other detail, as appropriate.

(2) Access to this file shall be limited to persons specifically authorized by the Deputy Director (Plans).
